COMPANY PROFILE

Angel Group is an outstanding foreunner in the quality manufacturing & exporting of the wide-ranging Leather & Leather Products in 1985
Angel Group started as an individual Company & with decades of experience became the company.
At each of the produce is professionally managed from the designing at the in-house Design Section to the final production. Selective in the choice of law material, produce undergo stringent quality testiation at the quality control department for the users benefit.

Technology savvy by the belief, the company's unit at Jalandhar is fully automated machine driven. Hence is a matchless manufacturer in the province for high speed demands to be met.

has a global reach with efficiency in delivery expressing the time management as an edge over contenders in the field. At all the products are made well in time according to the international standards & specifications. Here by have innumerable happy & satisfied customers round the globe.
The major factor behind this esteemed success is Hardworking & Dedicated team of Production & Administrative Personnel's and Quality of the Products. Due to our best quality and world's best manufacturing process, our products have generated big name in the market all around the globe.
For this we have adopted Advanced & best Technology. To add to it we have our own Tanning Unit having installed with Imported machinery from world's best machine manufacturers, where raw leather is processed to Finished Leather using imported chemicals from Germany and Italy to the tune of 50% & rest from the Home market. As a result we are able to develop any type of leather in any colour at a very competitive price. Our production capacity of about 300000 to 600000 Square feet leather per month. But the huge demand of our products in the world market has inspired us to increase our production quantity. Our Leather Rugby Ball & Leather Football production capacity of about 25000 to 30000

New Finishing Unit We would like to have privilege to develop Business relationships with your Esteemed organisation and sincerely wish you will provide an opportunity to do so. We firmly believe that our two organisation working together will prove to be very fruitful for both the companies.

In the past few years, has been driven from strength.Our edge has been commitment to high quality, prompt delivery and affordability - not to forget our greatest resource... our people.
